

ALEX AND KAELY PAL: CREATING HOMELESSNESS IN NIAGARA THROUGH REAL ESTATE INVESTMENT

Alex and Kaely recently bought a 20 unit rooming house in St. Catharines through a holdings corporation. **Immediately, all of the vulnerable low income tenants were renovicted and made homeless, and now Alex and Kaely plan to change the building from 20 units of low income affordable housing into 8 units at high rent so they can make some money.**

GREEDY UNSCRUPULOUS REAL ESTATE PROFITEERING LIKE THIS IS WHY WE HAVE A HOUSING AFFORDABILITY CRISIS AND PEOPLE LIVING IN TENTS EVERYWHERE.

Poor people already have nowhere to go, and Alex and Kaely are taking away what little housing options they have left in the interest of personal profit.

Disgusting.
